27 March 1956

H. R. 10118

Notice of Pending Legislation

Office of General Counsel

This bill is applicable only to children of employees of the Armed Forces. Its application to personnel of this Agency would therefore be very limited. Its primary purpose seems to be to clarify the interpretation of the Act of September 30, 1950, as to what is meant by "residing with a parent." No action by this Agency seems necessary.
